Fulton's.... Stock-Reducing Sale

Which keeps our large force of salesmen on the jump, while clerks in other stores are idle and 🧸 complaining of the weather. If you have visited this store any since the 20 per cent reduction sale opened, you have seen evidence of its great success. Saturday our store was crowded with buyers all day, and until late at night people were buying. They may have looked elsewhere. Our prices give positive evidence that our values can't be equaled in the city, and when you take onefifth off and compare quality and price, you will do as others are doing, "Trade at Fulton's—it pays.

It is easy to offer 50 per cent discount in advertisements, but no dealer can or will make it good in honest, reliable, seasonable, fashionable goods, strictly up-to-date in every particular, unless he marks his goods at enormously high profits, and in that case his offer is no indication of values. We have no sale-ticket price-tags, no 'specials," no special days and no tricks. You simply pick out what you want and take one-fifth off our regular prices.
